

United States District Court

EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION

UNITED STATES OF AMERICA,	§	
	§	Criminal Action No. 4:21-CR-278
v.	§	(Judge Mazzant/Judge Nowak)
	§	
CHRISTOPHER JOSEPH ESTRADA (1)	§	

MEMORANDUM ADOPTING REPORT AND RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE

Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant Christopher Joseph Estrada's ("Defendant") supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is therefore **ORDERED** that the Report and Recommendation of United States Magistrate Judge is **ADOPTED** as the opinion of the Court.

It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**.

It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of twelve (12) months, with a term of supervised release of forty-five (45) months to follow.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

You must not illegally possess a controlled substance and shall refrain from any unlawful use of a controlled substance.

You must participate in a program of testing and treatment for drug abuse and follow the rules and regulations of that program until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must participate in any combination of psychiatric, psychological, or mental health treatment programs, and follow the rules and regulations of that program, until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must take all mental health medications that are prescribed by your treating physician. You must pay the cost of the medication.

You must submit your person, and any property, house, residence, vehicle, papers, computer, other electronic communication or data storage devices or media, and effects to search at any time, with or without warrant, by any law enforcement or Probation Officer with reasonable suspicion concerning a violation of a condition of supervised release or unlawful conduct by you, and by any Probation Officer in the lawful discharge of the officer's supervision function.

You must reside in a residential reentry center or similar facility, in a prerelease component for a period of 180 days to commence upon release from confinement and shall observe the rules of that facility. Should you obtain a residence approved by the probation officer during the 180 day placement, you may be released.

The Court also recommends that Defendant be housed in a Bureau of Prisons facility in North Texas, if appropriate.

IT IS SO ORDERED.

SIGNED this 23rd day of March, 2022.

AMOS L. MAZZANT
UNITED STATES DISTRICT JUDGE
